Step inside...

You can take your pick between an indoor ceremony in one of our stunning event spaces, or an outdoor ceremony in our exquisite Wedding Garden.

There are so many stunning spaces to choose from for each part of your day; the choice is yours...

Our indoor ceremony rooms give you peace of mind about the British weather, making them a popular choice, especially for winter weddings!

Our stunning Sir Percy Blakeney Suite (pictured left) overlooks the Crescent lawns, and is ideal for up to 30 people. Our peaceful library is perfect for intimate ceremonies of up to 20 people. For larger Exclusive Use weddings, the elegant Dower House Restaurant can seat up to 100.

A romantic scene of a bride and groom in a garden. The bride is wearing a white lace dress and the groom is in a dark suit. They are standing close together, kissing. The background is filled with lush green foliage and a stone building.

...and outside

Let birdsong be your music, and flowers be your perfume - in our acre of perfect English country gardens!

Say *"I do"* beneath our licensed pergola, which you can decorate as you wish with flowers, vines or perhaps fairy lights. Celebrate with Champagne on the spacious lawns, then take your photographs amongst the bountiful roses and the lavender.

Your very own special space, our walled Wedding Garden can seat up to 30 guests, or up to 100 guests with Exclusive Use.

Stay with your nearest and dearest in the Garden Villa, a standalone building with two bedrooms and two suites – perfect for getting ready in during the day, and then staying the night in!

The food of love...

Our award-winning Head Chef David Campbell and his team will create a freshly prepared fine dining meal for you and your guests. We have multiple menu choices available to choose from and can, of course, make adjustments to suit your preferences.

If you wish we can serve you afternoon tea in one of our delightful event spaces or even arrange a BBQ in the garden – perfect for a summer wedding!

...and the sleep of dreams

Why not make the most of your day and stay the night too? With Exclusive Use, you and your guests can have your pick of our 45 luxurious rooms and suites. Or, if it is just you and your beloved staying with us, we have a wide range of romantic suites to choose from, many with stunning views, four poster beds or balconies.

A leisurely midday check-out the following day ensures the perfect way to finish your celebrations; watch the sunrise from your window, order breakfast in bed, then take a restorative dip in our tranquil spa.

Exclusive Use

Choose Exclusive Use and the entire hotel is yours for enjoyment, meaning you and up to 150 guests can relax together in total privacy on your special day.

Our award-winning spa is on-site for you and your guests to enjoy – perfect for pampering before the wedding, and relaxation the morning after. You'll have the run of the gardens, with their myriad trees, plants, flowers and wildlife. And you'll have all 45 rooms and suites from which to take your pick.

Non-Exclusive Use

Not everybody wants a big wedding, and the RCH has many beautiful rooms which are especially suited to a more intimate event! Say "I do" in one of our delightful function spaces, use our acre of private gardens as a backdrop for your photographs and your drinks reception. Finish your day with a delightful meal in our private dining room where the staff will tend to your every need.

Last Minute Weddings

We are often able to welcome couples seeking ceremonies and receptions within a short timeframe, particularly for smaller events. Whether your big day is next month or next year, we will do our utmost to accommodate you and to make your day very special.
